- Roadside assistance and trip interruption benefits bundled with every plan
- Premium refund options for select contracts/policies that expire without any claims being filed

Mechanical Breakdown Protection

Recreational vehicles are complicated machines. With the number of mechanical systems and appliances they have on board, it is inevitable that component failures will happen during the life of your RV.

SecureRV® Mechanical Breakdown Protection is an extended warranty product that covers many of the components that regularly break down on an RV. Designed to suit your needs as a traveler throughout Canada and the US (excluding Hawaii), SecureRV® will protect you from the cost of unexpected component failures and the rising cost of mechanical repairs.

Coverage Options

New Recreational Vehicles

Elite: Ultimate new RV coverage similar to the manufacturer's comprehensive warranty. All components are covered other than a select list of exclusions.

Pre-Owned Recreational Vehicles

Deluxe: A combination of Plus, Basic and Coach coverage levels in order to offer seamless protection for pre-owned RV's.

Plus: Coverage beyond powertrain components to provide protection for many RV parts and systems that are costly to repair.

Basic: SecureRV® Basic provides mechanical breakdown protection for the major powertrain components of your previously owned RV.

Coach: Unlike Basic and Plus that cover vehicle based powertrain components, Coach covers RV specific components such as the heating, cooling, waste, power generator, entertainment, and water systems along with appliances.

**Coverage available anywhere in Canada & Continental United States. Some conditions apply. Refer to contract/policy for exclusions and limitations.

Additional Benefits**

24 Hour Roadside Assistance:

- Towing
- Battery jump starting
- Flat tire changes (using spare tire)
- Fuel delivery
- Lock-out service
- Concierge service

Trip Interruption: Reimbursement of lodging and meal expenses if your covered RV breaks down while you are on a road trip and repairs last overnight (max \$400).

Replacement Vehicle: Replacement vehicle while your RV is being repaired (\$50 per day, max \$450).

Secure® Loyalty Credit: Refund Options for No Claims:

If no claims or additional benefits have been received by the time your SecureRV® contract/policy expires, you have access to one of the following three reimbursement options:

- Selling dealer will apply the full amount paid toward a new, qualifying Secure® contract/policy; or
- A store credit at your selling dealer for the full amount paid for your contract/policy (inclusive of taxes) up to \$2,000; or
- A refund cheque of the amount paid for your contract/policy (inclusive of taxes) up to \$1,000.

To qualify for the Secure® Loyalty Credit, the term of your Secure® contract/policy must expire by time and must be at least 3 years and 40,000 kms for pre-owned RV plans or 5 years on new RV plans. Not all plans qualify for the Secure® Loyalty Credit. *Other conditions also apply.*

Optional Upgrades Surcharges

- **Leveling System**
 - **Slide-Out Rooms/Awning Hardware**
 - **Rental Use**
- If your RV is equipped with the following, a surcharge applies:*
- **Diesel Engine**
 - **Air Brakes**

All surcharges and optional upgrades except for Rental Use are included free of charge with Deluxe and Elite level coverage. See contract/policy for full coverage details.

ARE YOU adequately PROTECTED

against the rising costs of mechanical repairs?

Consider these potential repair costs for recreational vehicles†
